ELECTION WITH TRAVERSAL

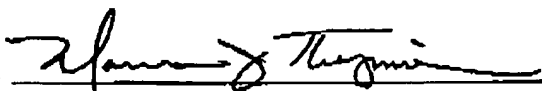

In response to the restriction requirement received by telephone from the Examiner on Friday, October 25th, 2002, and after an Examiner Interview conducted today, October 29th, Applicants hereby elect, without prejudice, the following claims for examination at this time:

- Independent claim 19 and its depending claims 20-48;
- Independent claim 66 and its depending claims 67-68;
- Independent claim 69 and its depending claim 70; and
- Independent claim 73 and its depending claims 73-75.

While Applicants have elected this claim set, Applicants respectfully traverse the restriction requirement, since the subject matter of all pending claims is closely related and would not result in a significantly burdensome examination and/or search. Should the Examiner have any questions, he should feel free to contact the undersigned attorney at 312-935-2352.
